What are Life Groups?

As their name suggests, these groups are for people to share life together and each gives an opportunity to connect with God and each other in different ways.

Every group offers a place to make new friends and to grow in your faith.

Our Life Groups are held in the church, in homes, in community centres, in café's and at various times throughout the week.

Every group is different in nature.

Some groups follow a study series on a bible theme or look at a Christian book; some are courses with a specific purpose; others have a focus on reaching a specific group and others utilise skills and talents to share the love of God in a more practical and creative way. Many groups have a social night and some are purely social but with a desire to reach out to others.

Most groups meet weekly though some do meet on a bi weekly; monthly or quarterly basis which allows people to be part of a number of groups.

A 'craft' group meet every Tuesday but have a three monthly get together on a Saturday where all are invited to create their own masterpieces.

Details of times and venues for each group are on the Life Group noticeboard.

All the groups are free except our Team Active Life and Fitness class on a Friday and the Saturday Craft and Create days.

We have one group who meet to pray on a weekly basis as their shifts allow so this is not announced but if you're on shifts and want to join in, see Pastor Kevin.

You may have a passion to reach a geographical area of the city or ethnic grouping or are good at poetry, or have a skill etc? So why not ask God to utilise your gifts and talents to serve him and share his love with others.

Our heart as a church is to release as many as we can, to reach out to as many as we can, whilst we can.

If you want to join a group speak to the leader (see noticeboard) or if you have a specific interest or passion you want to pursue speak to Kevin and Janet Foster.
